Los Angeles, Cal., July 21, 1911.

Offices of "Regeneracion," 5191/2 E. 4th St.,

To you, as a radical, we make appeal on behalf of this paper and of the Mexican Liberal Party, which is in a life-and-death fight not only with Madero and the world-wide forces of capital, but also with certain Socialist Party leaders.

The Mexican Revolution is in itself an event of incalculable import-

minded young men of the Labor and infinitely more so. They have started an international quarrel that MUST Editor of "Justice," London, Eng- Socialist movement have their be fought out. The labor movement of the world, and the Socialists themselves, MUST learn exactly where they stand; MUST ascertain, once and for all, whether they are to be the plaything of personal ambitions or are Lower California by Vega, Madero's fluence in the labor councils of the lands? As they reap the profits let in an article entitled "Anarchists' municipal or county councillorship, to be given the opportunity of working unitedly for economic freedom. In that fight you are interested most profoundly, and will wish to do

your loyal share. The fight is vital and international, and we of Los Angeles should not be required to carry the whole burden.

Six of our most capable writers and speakers are now in jail in Los out recently. At one time she was is entirely wrong, and that economic Angeles, and five are imprisoned in San Diego. They are charged with violating the neutrality laws; for apparently it is a crime not to remain neutral when 14,000,000 of the down-trodden are striking for liberty. Their imprisonment cripples us badly, for the moment.

Twenty-one thousand copies of "Regeneracion" are issued weekly from this office, and go to all parts of the world, including-despite Madero's rigorous boycott-Mexico. We issue much other educational matter, and our work, especially at this crisis, is vital to the international movement of revolt. But this entails enormous expense, and financial assistance we
