

The Negro Struggle by Robert L. Birchman

THE DEATH OF JESSE THORNTON Jesse Thornton, a negro farm worker, about 27 years old, was living in Luverne for about five years...

C. P. Lies on Trotsky Murder Exposed; Daily Worker Manufactures 'Statement'

Goldman Shows How Lie Machine of G.P.U. Is Operated

MEXICO CITY, Sept. 5.—A typical Stalinist technique of distorting the facts about the murder of Trotsky was exposed today in a statement issued by Albert Goldman, Trotsky's attorney...

Trotsky's Guards Would Give Lives To Keep Assassin Alive -- To Talk

MEXICO CITY — On the day that Jackson was brought to the scene of his crime, in order to re-enact the tragedy for the Mexican judge and the police, all of Trotsky's guards and secretaries were requested to disarm...

Stalinist Organ Attributes Quotation To Mexican Labor Confederation Which Is Proved To Be a Fabrication

MEXICO CITY, Sept. 8.—We rubbed our eyes in bewilderment when the Sept. 3 issue of the DAILY WORKER arrived from New York, carrying a big story about "organized labor" in Mexico...

Housing Crisis To Be Part of War Boom

As the war armaments program slowly gets under way, the problem of housing the armament workers begins to loom. Recollections of the frightful housing conditions in shipbuilding and steel centers, munitions areas, etc., during the last war, and the resultant dissatisfaction of the workers, are troubling both government and war-industrialists.

Government Report Shows Profits On Arms Deals Are Soaring Sky-High

By SAM MARCY A confidential government report now secretly circulating among top notch officials in the Roosevelt government, states that the profits of the capitalists thriving on war orders for the first half of this year are 50% higher than the comparable period of 1939...

RACE RIOT DANGER IN TOLEDO TOLEDO, Ohio — A proposed WPA housing project here for white families in the Negro district is stirring up a wave of racial antagonism which may well end up in a race riot.

Why Nothing Will Be Done A moment's thought will explain why, Mr. Smith, holding a government contract and unable to keep production up to the level required by the government order, might have been frantic at the thought of his enormous labor turnover.
