Demonstrate Against Fascist Garden Rally on Feb. 20!

On February 20, under the guise of "George Washington Birthday Exercises," the allied Fascist-Nazi organizations are planning to hold a mass mobilization in the Madison Square Garden.

The Garden meeting is being built up by a series of smaller rallies already held and planned during this week in various parts of the city-the Bronx, Brooklyn, Harlem and Queens.

The mobilization is backed by Hitler's German-American Bund, the notorious Pelley's Silver Shirts, the "Social Justice" gang of Father Coughlin, the Hague gangsters from Jersey City, and a further assortment of anti-Semites, labor-haters, Red-baiters and similar

New York City has the largest radical population in the country. The Garden meeting is aimed at it.

New York City is the center of all progressive thought, all liberal movements. The Garden meeting is aimed at all of them.

Can these insolent scoundrels be allowed to carry through their provocative mobilization unchallenged?

Are the workers of New York going to sit by quietly and wait until these Fascist assassins grow arrogant and powerful enough to carry their war against labor and the Jews into every district, with daggers, blackjacks, brass knuckles and guns?

Are the workers of New York going to remain

quiet, drugged by illusions, until they wake up some day in the concentration camps, under the whip of triumphant Fascism?

Are the workers of New York going to let La Guardia take care of the problem-LaGuardia whose police always give the Fascist meetings the maximum of protection?

Are the workers of New York going to follow the Daily Worker, organ of the belly-crawling Stalinists, who beg District Attorney Dewey to do the job that . only organized, militant labor can do?

If the workers act that way—then chalk up another victory for the Fascists, another setback for labor.

There is another way, however. That way means a triumph for labor, a crushing defeat for the Fascists.

Organize a militant, mass counter-demonstration at the Madison Square Garden on February 20!
