# **'Last Time', Says Minneapolis**

(Special to the Socialist Appeal) MINNEAPOLIS - For years Chester Johnson has been literature agent for the Fourth Internationalist press in Minneapolis, and no party branch has had a more loyal and efficient comrade in charge of this important work.

Friday evening, March 17, Comrade Johnson was covering the C.I.O. hall with the current Socialist Appeal. Despite the fact that the Stalinists completely dominate what there is of the C.I.O. movement locally -the main movement here is A.F.L.-and despite the poisonous lies about the Trotskyites the Communist Party had fed the C.I.O. ranks, many of these workers purchase the Appeal regularly.

After having sold a few papers, Chester was leaving the C.I.O. hall. As he entered the vestibule-a boarded-up nook hidden from view of the street -two Stalinist thugs followed him from the hall, tore the papers from his hands, swore at him for selling "that Trotskylte rag" and in professional fashion proceeded to do a "hospital job" on our comrade.

The Communist Party gangsters smashed his nose, broke three of his teeth, closed both eyes and battered him about :he head.

Comrade Johnson never had a chance to defend himself. Bleeding and half-stunned, Chester made his way back to the Party headquarters.

This is the last victim the Socialist Workers Party in Minneapolis will give to the Stalinist rats.

(Special to the Socialist Appeal) PHILADELPHIA, March 23. -Stalinists last night attacked members of the Socialist Workers Party and the Young People's Socialist League who were distributing leastets at the entrance to a Stalinist meeting.

Although an entire gang of Stalinists led the attack, they were successfully repulsed by Defense Guards organized by the Fourth Internationalists.

The Stalinists immediately called the cops. One of the Fourth Internationalists was arrested and charged by a Stalinist hero with "assault and battery" and "inciting to riot." The case was dismissed.
