

THE MYSTERY SOLVED

The Question is often asked "How do these Socialist publications get their support?"

This seems to be the "Mystery" of the day. We will let you in on the secret. The answer will be obvious as soon as you have properly filled out and mailed the subscription blank at the bottom of this page.

The "Class Struggle" is in a field of Socialist literature that is bringing out many kinds of thought, but we believe that this magazine fills a place that no other Socialist publication covers. You are pleased with each issue. This is no idle boast. Our readers tell us this daily, and we are talking to you personally as a reader of "The Class Struggle." YOU can help us do more effective work by reaching a large circle of readers if you will interest one or more persons to subscribe. May we not expect you to do this as your contribution to keep the aims and objects of Revolutionary International Socialism, clearly presented by those who are part of the Movement, before those who wish to keep informed? YOUR ANSWER will be made by using the contribution blank.
