Jamaica B. W. I. Jan. 26th 1934.
Never in the history of this island
has there been displayed such
open demonstrations at elections
as at the present one.

All so called "leftist" candidates
are receiving the ovulations of the
people, whilst the Conservatives are
not even given the chance to address
meetings.

What the "Daily Gleaner" — the
only daily paper — calls rioting and
disorder, is the dissatisfaction
