

support of a conservative candidate we hear:

"When I saw the attitude of the mob. (most of whom were his supporters in the U. N. I. A. N. A. S.) --- I saw anew the scenes of the car riot."

Further on, "I could see fixed bayonettes and hear the sound of shots."

Like all recent elections in other parts of the world, they ^{strong} tendency to the left can be seen, with the reculting failure of these present day liberals in the near future.

Owing to the illiteracy of the majority of voters
